Please Note:

- It is to be noted that there is no exact offence for use/possess of each type of drug and the data provided is a count of 'Person of Interest' involvements categorised based on the type of drug found during a drug detection. This may result in a singular instance of drug detection being counted across multiple categories of drug types as the person was found to have different type of drugs in their possession or use. Therefore, the combined totals of each table presented per drug type, may not equal the totals provided in the table above (Use/Posses Any Drug).

- 'Offenders who identified as Aboriginal or Torres Strait Islander' is based on a person identifying as Aboriginal in an incident. A person may provide a different response in subsequent incidents.

1. How many people have been diverted as part of the Early Drug Diversion Initiative (EDDI) by the NSW Police Force, from 29 February 2024 to October 31 2024?

681

Please Note: This is simply a count of distinct persons who have been issued with a Criminal Infringement Notice with an offence that relates to Drug Misuse and Trafficking Act 1985 Sections 10(1), 11(1), 12(1). It does not take into account whether the individual was eligible for the EDDI, as it is not possible to accurately test this criteria.

(1a) Could you please provide a breakdown by drug type and by Indigenous status?
