## PROHIBITED WEAPONS RE-ENACTMENT EVENT PERMIT

This fact sheet provides information on the requirements for obtaining a Re-enactment Event Permit -clause 22 of the *Weapons Prohibition Regulation 2017*.

It is an offence in NSW to possess a prohibited weapon without the authority of a permit.

### What does the Re-enactment Permit authorise?

This permit authorises a person, on behalf of an historic or commemorative club or society or other organisation, to conduct and supervise an historical or commemorative re-enactment event or events, and to possess prohibited weapons to which the permit relates for the purposes of those events.

This permit also authorises any person who is the holder of a prohibited weapon permit, including interstate persons holding the equivalent permit issued in that State or Territory, to possess and use any prohibited weapon authorised by that permit to participate in the re-enactment event conducted under the authority of the re-enactment event permit.

You must notify local police about the event no more than 7 days prior to event taking place. Provide police with the name of the organisation conducting the event, the dates and location of the event, the purpose of the event and a copy of the permit authorising the event to take place.

### Who can apply for this permit?

A person, who is a current member of an historic or commemorative club or society or approved by the Commissioner, which conducts activities or events requiring the possession or use of the prohibited weapons for which the permit is sought.

### What is the term of the permit and how much will the permit cost?
